RE: MSGP Quarterly Visual Inspection

Fairbanks International Airport Tenants,

The last Quarterly Visual Inspection was conducted in October of 2017. Since that time, the FAI has generally experienced below freezing conditions resulting in a winter pattern. As allowed in the 2015 MSGP, this quarterly assessment will be moved to the next quarter with actual discharge.

If you have any questions, please contact me at (907) 474-2598.

Respectively,

Ashley Jaramillo
FAI Environmental Programs Manager
Fairbanks International Airport
